1. Give brief narration about what was it like to study in Teresian college?

-Studying in Teresian, what to tell it was a long way for me. I have completed my 5 years of studies i.e my Puc and Graduation from the college. I have lots of memories from the college. One thing I would like to share is, we the students of Teresian are blessed to have wonderful teachers. All the teachers support every student to build their personality. All the teachers help students to build not only knowledge but they also teach us values of life that's a great thing about the college. I'm happy because I was a part of this college.

2. What are you pursuing these days?

-I'm doing my Masters DoS in Mathematics, Manasa Gangotri, Mysore.

3. What's it like being topper and does it make you feel pressurised to keep that up?

-I personally don't believe in ranks because it does not define a person but being a topper for this year I'm happy because by getting this medal, I have made my parents and Teachers proud I'm happy for that.

4. What are your further plans in life?

-Actually I am thinking of preparing for competitive exams.

5. Who is your role model and why?

-My role model is Dr.A.P.J.Abdul Kalam, I often read his quotes that always motivates me.

6. What keeps you motivated and any word of advice for our young College girls.

-I would like to tell one thing I could do this or get this medal only because of Teachers and parents because of their support I dont like to give advice but I would tell one thing what I follow

If we do our part of work properly success automatically comes to us. Finally I would like to thank all of you for your love and support.

INTERVIEW OF SPOORTHI K PHILOMENA AWARDED 2 GOLD MEDALS AND 2 CASH PRIZES IN CONVOCATION 2019- Interviewed by Gayathri Sukumar III B.Sc

Please tell us about yourself and your relation with Teresian College.

Hello, my name is Spoorthi K Philomena. I am a postgraduate in English (2016-18) from Teresian College, affiliated to the University of Mysore.

What are you pursuing now?

As of now I am preparing for my Ugc Net at home.

How are you feeling about getting a gold medal and a cash prize?

I was extremely happy. I'm thankful and grateful to all my Teachers, my parents and my seniors, who have guided and motivated me at every phase of this journey.

How do you deal with pressure and what keeps you motivated?

Prior preparation helped me deal with pressure and it is good to have some positive stress which motivates you, not to do better than anyone else, but to do better than what you have.

What is your plan for future?

As teaching has always been a passion, I intend to start teaching soon and also do my research.

Any last thought you would like to share to our Teresianites?

Work hard, Stay motivated and focused.
