2. Executive meetings were conducted to frame plan of action it was decided that

1. Felicitating our Retired staffs
  2. Honouring the Toppers of academic excellence
  3. Reunion of Students, and
- It was decided to conduct more competitions

It is the responsibility of each and every Alumini to look back to our Almajates who has been a source of great wisdom and knowledge imparting education to thousands of young women who are ultimately well equipped to face the challenges of the world. It is in Teresian we moulded our character as individual with high moral values being a part and parcel of Teresian family let us all join together each and every year in large numbers and build up this association

TAA plays an important role in reunion of present and past students and providing a moral support in the overall development of the college.

N. Surekha
