Number of staff participated	02	Number of students benefitted	39
Outcomes	One day skill development programmed for women's on " Terrace gardening and Preparation of Terrarium" held in Ave Maria Auditorium, Teresian College on 8 <sup>th</sup> February 2020 for this workshop about 80 ladies were participated for this workshop. Dr. Bhagyalakshmi Neelwarne, Director Neelgen Greentech, Mysore gave brief introduction of importance of Terrace gardening their uses and Health benefit. Demand of this terrace gardening are increasing day by day in urban sectors. womens should come forward to grow their own vegetables in their home. So many Ngo's and government sectors will provide basic needs to start the terrace gardening. Dr. Vinay B. Raghavendra, Assistant Professor, Teresian College, assured to provide the technical assistance to start terrace gardening. He also mentioned that womens should learn the preparation of terrarium to earn more money. Now a days terrarium has become a huge hub for growing 24 hours oxygen releasing plants of their own selection.
