Subject: Clarification about Awarding Authority for Certificate(s) / Diploma(s) to the students under the scheme of Community Colleges

Sir / Madam,

In response to various queries received from affiliated colleges about the 'Awarding Authority' for Certificate(s) and Diploma(s) to the students for the approved courses being run under the scheme of Community Colleges by affiliated Colleges, the issues is resolved as under.

"The college concerned should itself award Diploma / Certificate under its own seal and signature after a written authorization from the affiliating university. However, the college should mention the name of the affiliating university and the scheme on the award."

The affiliating universities are requested to give written authorization to the affiliated colleges running the scheme of Community College to award certificate(s)/diploma(s).
